IN GOOD TASTE

When restaurateurs Cornel Mostert and Cynthia Rivera stumbled upon Kurt Pio's diamond artworks on Instagram, they knew they had to collaborate with him on their first venture: Mulberry & Prince. 'We wanted something bright with accents of wood, marble and natural stone,' says Cornel. They also teamed up with Atelier Interiors to make the space, located just off Cape Town's Bree Street, a showcase of local design, from the kintsugi bar created by Kurt to furniture by Pedersen + Lennard and Monya Eastman. 'We love the contrast between beaten metals and velvet chairs.' mulberryandprince.co.za
